Competitors are able to place 1 personal sponsor logo on each shoulder. They must be from the same sponsor and cannot be larger than 7.5cm x 7.5cm as per figure 1. Legs are to be free of any personal sponsor logos. Any personal sponsor logos must be pre-approved by SLSA prior to 21 September 2018 by emailing events@slsa.asn.au. SLSA retains sole discretion to withhold approval of any sponsor logos and is not required to provide any reasons for not giving approval.

During any presentations or media appearances competitors must wear the event lycra race singlet, branded cap, and/or a supplied Event shirt. Any personal sponsor branded gear must not be in conflict with Event sponsors (as listed above).

CLOTHING

SLSA will supply lycra race singlets which must be worn by competitors as outer garments on all of the legs of the Event, except the ski leg when a minimum of Level 50 lifejacket must be the outmost garment.

Handlers must wear mandatory Event handler bibs as outer garments for the whole duration of the Event.

Wetsuits, if permitted to be worn due to conditions, may not carry any commercial or sponsorship identification other than that of the wetsuit manufacturer. This wetsuit manufacturer identification

can only be the size which is standard to off-the-rack wetsuits of that company.

Swimming costumes must be SLSA approved as designated in the Current Edition of the SLSA [Surf Sports Manual](#). Any variance to SLSA approved costumes may be approved for use by the Referee prior to the commencement of the Event.

Further, the SLSA Event Manager, Chair of Competition Committee, SLSA Chair, Sport and/or the Referee may require the removal of, or the non-wearing of, costumes and/or other garments which contain commercial identification not deemed to be in the interests of the official Event Sponsors.

EYEWEAR

Competitors may wear sunglasses whilst competing in the competition providing that the brand of sunglasses does not conflict with any Event sponsors.

Competitors are not to place sunglasses over any Event sponsor, i.e. on peak of cap.

Competitors may wear their own swim goggles in the appropriate legs.

PENALTIES

As indicated in Section 17 – Penalties, the following apply:

- Failure to carry required Sponsor identification, as stipulated: disqualification or time penalty at the discretion of the Competition Committee.
- Failure to wear mandatory Lycra race singlets (competitor)/race T-Shirt (handlers) during event: disqualification or time penalty at the discretion of the Competition Committee.
- Failure to wear mandatory cap and Lycra race singlets at the presentation (competitor): penalty or forfeiture of competitor's total share of prize money.

SURF CRAFT

Competitors may be required to compete with a Go Pro or similar device, within reason, attached to equipment for the purpose of obtaining the best possible footage to promote the sport, unless the competitor can prove to SLSA's comfortable satisfaction that such an attachment would hinder their performance.

If supplied, compulsory Event sponsor stickers must be affixed to craft prior to or during scrutineering and other stickers may be required to be removed or otherwise covered.

Competitors may be called upon to remove from craft all other identification, save for personal and/or official Club sponsor identification, which is considered to be of a conflicting nature to a potential Event sponsor.

Further, the Event Organising Committee and/or the Competition Committee will nominate the approximate area on the craft for such numbers or identification.

Surf craft may be required to carry branding of the Event sponsors in accordance with the attached diagram above. In addition to the branding set out in the attached document, competitors may also carry personal sponsors only if:

- The signage/branding is positioned in the locations reserved for branding of sponsors or personal sponsors as shown in the Diagram 1 above, and specifications below.
- The branding does not conflict with the interest of a sponsor of the Event.

If your surf craft carries branding of sponsors which conflict with the Event sponsors, these will need to be covered up or removed before attending the Event.

If your surf craft is carrying any branding which is inconsistent with this policy or if you wish to discuss any aspect of this policy please contact the Events Team at Surf Life Saving Australia on 02 9215 8000 before 21 September 2018.
